SUMMARY

I'm a web developer who loves building apps and bringing designs to life. My go-to technologies right now include **HTML5**, **CSS3**, and **JavaScript(ES8+)** — amped with the help of **React & Redux** and **PostCSS & Sass**. Previously, I've also worked with jQuery, and some PHP and SQL.

Feel free to check me out on GitHub at <https://github.com/samvk> or take a look at my portfolio at <https://samvk.com>.

EXPERIENCE

Software Engineer | Web Application Developer

Konica Minolta Business Solutions, Windsor, CT
